

## 2021 Africa-Japan Collaborative Research (“AJ-CORE”) on Environmental Science Joint Proposal Form

### Note

Please fill all sections of this document, add the required attachments, and **submit as one PDF file** before the deadline, **Friday, 15 October 2021 at 23:59 (SAST)/ 16:00 (JST)**. All proposals must be written in English.

For our process, it is advised that the name of the file be; **< AJ-CORE\_ (acronym of the proposal) >**

**Two identical copies of this joint proposal form must be submitted to the JST and the NRF.**

**The Japanese PI must submit** a joint proposal to JST through the National Online Submission System at (<https://www.e-rad.go.jp/>).

The South African PI must submit an identical application to the NRF through the NRF Online Submission System at (<https://nrfs submission.nrf.ac.za/>).

South African applicants are advised to consult the NRF General Application Guide 2021 available at <https://www.nrf.ac.za/funding/framework-documents/funding-framework-documents> for further details on how to apply for this opportunity (and for making use of the NRF Online Submission System).

\*Please fill appropriate text in the place shown in *blue italics*.

\*If 4<sup>th</sup>(>) African country joins, please create additional columns/pages accordingly.

\*Please delete unnecessary columns/pages depending on the proposal. e.g.) absence of 4<sup>th</sup> African country, Associated Partners, absent roles of “Co-PI” or “others”.
