**Call for Students to update biographical data on ITS/IEnabler System**

Dear Student,

The SRC elections for the term beginning January 2022 will be held on the 06<sup>th</sup> of December 2021. To effectively guarantee your participation in all phases of the electoral process, you are requested to update your biographical data, especially your preferred cell phone contact details on the ITS/IEnabler System. This will ensure that you effectively participate in the upcoming SRC election process. The deadline for updating of your details will be the 3<sup>rd</sup> of December 2021 but we will however be sending you regular reminders to update your details on various media platforms.

If you do not update your information on the ITS/IEnabler System and ensure that the contact number on the system is indeed your cell phone number, then you will be running the risk of not being able to participate in the election process. Make it a priority to update your contact number on the ITS/IEnabler System. Failure to do so will result in communication being sent to the number that is currently on the system. Should we not hear from you it will be deemed that you have consented to the use of your personal details currently on the system for the election processes.

With effect from the 4th of December 2021, we will regard all your contact information on the ITS/IEnabler System as a true reflection of your contact details and voting access will accordingly be sent to that number.

Warm Regards,

**Dr. G. Magaiza**  
EC Chairperson
