University of Zululand

Tender No UZ26/2021

Framework agreement for architectural services within the University of Zululand's KwaDlangezwa and Richards Bay Campuses

T.2.1 List of returnable documents

1 Documentation to demonstrate eligibility to have tenders evaluated

- Practice Declaration including all the associated supporting documentation listed in such the declaration
- Annual Financial Statements Declaration

2 Returnable Schedules required for tender evaluation purposes

The tenderer must complete the following returnable schedules as relevant:

- Record of Addenda to Tender Documents
- Proposed amendments and qualifications
- Annual Financial Statements Declaration
- Compulsory Declaration
- Preferencing Schedule: Broad Based Black Economic Empowerment Status
- Evaluation Schedule 1: Principal Consultant (*key person*)
- Evaluation Schedule 2: Value added by Tenderer
- Evaluation Schedule 3: Response to the Client's design criteria
- Evaluation Schedule 4: Localisation

The Tenderer's attention is drawn to the eligibility criteria which require the tenderer to provide the required evidence in their tender submissions in order to be eligible to have their tenders evaluated. Tenderers who fail to provide the required documentation will not have their tenders evaluated.

Note: The tenderer is required to insert a tax compliance pin number in the Compulsory Declaration so that the tenderer's tax compliance status can be confirmed

3 Other documents required for tender evaluation purposes

The tenderer must provide the following returnable documents:

- B-BBEE Verification Certificates issued by a verification agency accredited by the South African National Accreditation System (SANAS) or, in the case of an Exempted Micro Enterprise or a Qualifying Small Enterprise, if permitted in terms of the relevant code, a duly completed sworn affidavit on the relevant form obtained from the DTI website (https://www.thedti.gov.za/economic_empowerment/bee_codes.jsp)
- Suitable annual financial statements for the preceding financial year within 12 months of the financial year end
- Report or Summary Report for the tendering entity from the National Treasury Central Supplier Database printed not more than 2 weeks prior to the tender closing
- An original valid Tax Clearance Certificate or Tax Compliance PIN issued by the South African Revenue Service
- A copy of the professional registration certificate(s) for the Principal Consultant (*key person*)
- A copy of the tenderer's professional indemnity insurance

4 Returnable Schedules that will be used for tender evaluation purposes and be incorporated into the contract

The tenderer must complete the following returnable documents:

None

5 Other documents that will be incorporated into the contract

C1.1 Offer portion of Form of Offer and Acceptance

C1.2 Contract Data (Part 2)

C2.2 Staff rates

C2.3 Adjustment factor

Failure to sign the form of offer and acceptance will render the tender "non-responsive"

<p>The Tenderer's attention is drawn to Part 2 of the Contract Data which requires the Tenderer to tender staff rates. Failure to tender the staff rates will render the tender non-responsive. Failure to tender the staff rates in the prescribed manner may compromise the competitiveness of the tenderer.</p>

<p>Compensation events which result in changes to the Prices or to establish Prices in the Task Schedule are assessed on the basis of time charges (i.e., the products of each of the staff rates multiplied by the total staff time appropriate to that rate properly spent on work in the contract).</p>
--

<p>Tenderers need to price these staff rates realistically as they will be taken into account when evaluating tender offers – see Tender Assessment Schedule.</p>

NOTE 1 The Standard Conditions of Tender contained in SANS 10845-3 prohibits anticompetitive practices (clause 3.1) and requires that tenderers avoid conflicts of interest, only submit a tender offer if the tenderer or any of his principals is not under any restriction to do business with employer (4.1.1) and submit only one tender either as a single tendering entity or as a member in a joint venture (clause 4.13.1). Clause 5.7 also empowers the Employer to disqualify any tenderer who engages in fraudulent and corrupt practice. Clause 3.1 also requires tenderers to comply with all legal obligations.

NOTE 2: Section 30(1) of the Public Service Act, 1994, prohibits an employee (person who is employed in posts on the establishment of departments) from performing or engaging remunerative work outside his or her employment in the relevant department, except with the written permission of the executive authority of the department. When in operation, Section 8(2) of the Public Administration Management Act, 2014, will prohibit an employee of the public administration (i.e. organs of state and all national departments, national government components listed in Part A of Schedule 3 to the Public Service Act, provincial departments including the office of the premier listed in Schedule 1 of the Public Service Act and provincial departments listed in schedule 2 of the Public Service Act, and provincial government components listed in Part B of schedule 3 of the Public Service Act) or persons contracted to executive authorities in accordance with the provisions of section 12A of the Public Service Act of 1994 or persons performing similar functions in organs of state from conducting business with the State or to be a director of a public or private company conducting business with the

State. The offence for doing so is a fine or imprisonment for a period not exceeding 5 years or both. It is also a serious misconduct which may result in the termination of employment by the employer.

NOTE 3: Regulation 44 of Supply Chain Management regulations issued in terms of the Municipal Finance Management Act of 2003 requires that organs of state and municipal entities not award a contract to a person who is the service of the state, a director, manager or principal shareholder in the service of the state or who has been in the service of the state in the previous twelve months.

NOTE: 4: Regulation 45 of Supply Chain Management regulations requires a municipality or municipal entity to disclose in the notes to the annual statements particulars of any award made to a close family member in the service of the state.

NOTE: 5 Corrupt activities which give rise to an offence in terms of the Prevention and Combating of Corrupt Activities Act of 2004) include improperly influencing in any way the procurement of any contract, the fixing of the price, consideration or other moneys stipulated or otherwise provided for in any contract and the manipulating by any means of the award of a tender.

NOTE: 6 Section 4 of the Competition Act of 1998 prohibits restrictive horizontal practice including agreements between parties in a horizontal relationship which have the effect of substantially preventing or lessening competition, directly or indirectly fixing prices or dividing markets or constitute collusive tendering. Section 5 also prohibits restrictive vertical practices. Any restrictive practices that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties.

Preferencing schedule: Broad Based Black Economic Empowerment Status

Preamble

Section 10(b) of the Broad-Based Black Economic Empowerment Act of 2003 (Act No. 53 of 2003) states that *“Every organ of state and public entity must take into account and, as far as is reasonably possible, apply any relevant code of good practice issued in terms of this Act in developing and implementing a preferential procurement policy.”*

A number of codes of good practice have been issued in terms of Section 9(1) of the B-BBEE Act of 2003, including a generic code of good practice and various sector codes. The sector codes vary the metrics, weightings and targets used in the generic code of good practice to establish the overall performance of an entity and its B-BBEE status. The B-BBEE status needs to be assessed in accordance with the applicable code.

1 Conditions associated with the granting of preferences

Tenderers who claim a preference shall provide proof of B-BBEE status level of contributor in accordance with the requirements of section 2 in respect of the applicable code as at the closing time for submissions, failing which their claims for preferences will be rejected.

1 Proof of B-BBEE status level of contributor

Proof of B-BBEE status level of contributor shall be by means of

- the B-BBEE status level certificate issued by an authorised body or person;
- a sworn affidavit as prescribed by the B-BBEE Codes of Good Practice; or
- any other requirement prescribed in terms of the Broad-Based Black Economic Empowerment Act

2 Tender preferences claimed

The scoring shall be as follows:

B-BBEE status level of contributor	Status level of tenderer (Tick relevant level)	Number of preference points	
		90/10 preference points system	80/20 preference points system
Form not completed or non-compliant contributor		0	0
Level 8 contributor		1	2
Level 7 contributor		2	4
Level 6 contributor		3	6
Level 5 contributor		4	8

Evaluation Schedule 1: Experience of Principal (*key person*) Consultant

The experience of the Principal Consultant (Key Consultant whose name is stated as such in Part 2 of the Contract Data) will be evaluated i.e., the person who will provide the service or under whose active and personal direction, control and supervision the service is to be provided (see scope of work).

This will be undertaken in relation to:

- 1) Professional profile: professional qualifications, professional experience (total duration of professional activity), level of education and training and positions held which have a bearing on the services which may be required.
- 2) Experience in relation to the services which may be required in terms of the scope of work

A CV of the Principal Consultant of **not** more than 4 pages must be attached to this schedule. Each CV should be structured under the following headings:

- 1 Personal particulars
 - name
 - date and place of birth
 - place (s) of tertiary education and dates associated therewith
- 2 Qualifications (degrees, diplomas, grades of membership of professional societies and professional registrations)
- 3 Name of current employer and position in enterprise
- 4 Overview of post graduate experience (year, organization and position / responsibilities)
- 5 Outline of assignments / experience that has a bearing on the required services giving dates, nature and scope of similar services that have been undertaken including the level of responsibility
- 6 Professional activities which have a bearing on the service

Certificates / suitable proof of membership must be attached to this schedule

The scoring will be as follows:

Rating / score	Professional profile which may have a bearing on the required services	Experience in relation to the service
0	Tenderer has submitted no information or inadequate information to determine scoring level or does not have an appropriate professional profile or experience.	
Poor (score 40)	Principal Consultant has a limited professional profile	Principal Consultant has limited levels of experience which relates to the proposed scope of work
Satisfactory (score 70)	Principal Consultant has reasonable professional profile	Principal Consultant has reasonable levels of experience which relates to the proposed scope of work
Good (score 90)	Principal Consultant has an extensive professional profile	Principal Consultant has extensive levels of experience which relates to the proposed scope of work

Evaluation Schedule 2: Value add by tenderer

The value added by the tenderer in delivering the service will be evaluated i.e. the answer to the question as to why the Employer will derive better value for money by contracting with the tenderer and making use of the Principal Consultant that is offered for the proposed service rather than with any other tenderer and their offered Principal Consultant.

Examples of value add may include:

- institutional memory which can be used to underpin the service;
- availability to engage with the Employer on specific issues
- insights gained from previous work of a similar nature;
- approaches to the proposed service and the countering of perceived risks;
- access to specialist expertise;
- internal quality control systems;
- previous or current work related to the required service;
- depth of in-house expertise apart from that residing in the Principal Consultant;
- networks of expertise which can be tapped into;
- local and international access to information / knowledge relating to the required and related services;
- experience in and working on projects where the NEC3 conditions of contract are applied;
- access to internet or library access to specialist literature or internal libraries and facilities
- software packages, proprietary products, equipment etc

The tenderer should specifically outline the value add with respect to the entity's portfolio of work and past experience in the field of project and contract management with particular reference to buildings and building precincts. The tenderer should furthermore indicate the software packages which it is able to deploy in providing the service.

The tenderer must briefly outline the value add offered in not more than six pages and attach this to this page. The tenderer should also state what value add other staff members will provide to the service and refrain from submitting generic company literature.

The scoring of the tenderer's value added will be as follows:

0	Tenderer has submitted no information or inadequate information to determine scoring level.
Poor (score 40)	Tenderer offers limited value add to the required service
Satisfactory (score 70)	Tenderer offers attractive value add to the required service
Good (score 90)	Tenderer offers very desirable value add to the required service
Very good (score 100)	Tenderer offers exceptional value add to the service required.

The undersigned, who warrants that he / she is duly authorised to do so on behalf of the enterprise, confirms that the contents of this schedule are within my personal knowledge and are to the best of my belief both true and correct.

Evaluation Schedule 3: Approach paper to the management of the project

The approach paper must outline the tenderer’s proposed approach to providing the required Architectural services contemplated in the scope of work with particular emphasis on university or higher education environment.

The approach paper should in broad terms:

Outline the tenderer’s proposed approach to providing the required services contemplated in the scope of work and outline the proposed approach / methodology to providing the service. The approach paper should articulate what value add the tenderer will provide in achieving the stated and implied objectives for the service.

The tenderer must as such explain his / her understanding of the objectives of the service and the Employer’s stated and implied requirements, highlight the issues of importance, and explain the approach they would adopt to address them. The approach paper should explain the methodologies which are to be adopted, demonstrate the compatibility of those methodologies with the proposed approach. The approach should also indicate how risks will be managed

The tenderer must attach his / her approach paper to this page. The approach paper should not be longer than 6 pages.

The scoring of the approach paper will be as follows:

	Technical approach and methodology
Score 0	Tenderer has submitted insufficient information to score the schedule
Poor (score 40)	The technical approach and / or methodology is poor / is unlikely to satisfy project objectives or requirements. The approach lacks strategic thinking / expertise and does not deal with the critical aspects of integration.
Satisfactory (score 70)	The approach, although likely to satisfy objectives is generic and not tailored to address the specific project. The approach does not adequately deal with the critical characteristics of the project.
Good (score 90)	The approach is specifically tailored to address the specific project objectives and methodology and is sufficiently flexible to accommodate changes that may occur during execution.
Very good (score 100)	Besides meeting the “good” rating, the important issues are approached in an innovative and efficient way, indicating that the tenderer has outstanding knowledge of state-of-the- art approaches. The approach paper details ways to improve the project outcomes and the quality of projected outputs

Tender Assessment Schedule

This schedule is for information only and does not need to be completed. The evaluators will apply this schedule to arrive at a comparative offer in the evaluation of tenders

WARNING: Tenderers who tender different pricing parameters (i.e. alternative offers) may compromise their competitive position e.g. by tendering Rands per hour where a rate in cents per hour / R100 of total annual cost of employment is required.

The parameters tendered in the Contract Data by the *Consultant* are to be reduced to a common base for comparative purposes as follows:

Assumed average time charge / hour for tender comparative purposes only

$$= f_1 \times A + f_2 \times B \times TAC / 100 / 100$$

where:

- f_1 is a weighting factor with a value of 0.5
- f_2 is a weighting factor with a value of 0.5
- A is the tendered maximum Rate / hour for staff in C2.2 Staff rates (Rate 1)
- B is the tendered cents per hour / R100 of total annual cost of employment for staff tendered in C2.2 Staff rates (Rate 2)
- TAC is the average total annual cost of employment with a value of R 650 000.00 which is assumed only for comparative purposes

$$= f_1 \times A + f_2 \times B \times TAC / 100 / 100$$

$$= \dots + \dots \times \dots / 100 / 100$$

$$= \text{.R} \dots \text{.hour} \quad \text{①}$$

Comparative offer for tender evaluation purposes only

Assuming that 1 000 hours of work are based on Time Charges, the cost of such work will be:

$$= 1\,000 \times \text{①}$$

$$= 1\,000 \times \dots$$

$$= \dots \text{②}$$

$$\text{Comparative offer} = \text{②} = \text{R} \dots$$

Fee based on cost of construction in accordance with Z5 in Part 1 of the Contract Data

$$\text{Fee percentage} = \text{BFP} \times \text{F}_{LE} \times \text{F}_{PO} \times \text{F}_{CON}$$

where BFP = basic percentage fee derived from the *Framework for the Determination of Professional Fees for Consulting Services* (see Annexure 3)

F_{LE} = adjustment factor that reflects the level of effort that is required as determined in accordance with the provisions of the *Framework for the Determination of Professional Fees for Consulting Services* (see Annexure 3) for services falling within the scope of work after the award of the contract

F_{PO} = tendered professional and technical staff rate expressed in cents / R 100 or part thereof of total cost of

employment (see C2.2 Staff rates) (B) / 16

F_{CON} = tendered adjustment factor to reflect factors such as risk, productivity, efficiency, locality, local knowledge, particular methods or systems for delivering services, level of expenses that are not recoverable etc. (see C2.3 Adjustment factor).

Fee in Rands excluding VAT = fee percentage / 100 x cost of construction excluding VAT

Assuming that for comparative purposes only

$$BFP = 6.71$$

$$F_{LE} = 1.0$$

Cost of construction = R 50 000 000.00 excluding VAT

Fee in Rands = $BFP \times F_{LE} \times B / 16 \times F_{CON} / 100 \times$ cost of construction excluding VAT

$$= \quad \times \quad \times \dots \dots \dots / 16 \times \dots \dots \dots / 100 \times$$

$$= \dots \dots \dots \textcircled{3}$$

Comparative offer for tender evaluation purposes only:

$$= \textcircled{2} + \textcircled{3} = \dots \dots \dots + \dots \dots \dots = R. \dots \dots \dots$$

Acceptance

By signing this part of this Form of Offer and Acceptance, the *Employer* identified below accepts the tenderer's Offer. In consideration thereof, the *Employer* shall pay the Consultant the amount due in accordance with the *conditions of contract* identified in the Contract Data. Acceptance of the tenderer's Offer shall form an agreement between the *Employer* and the tenderer upon the terms and conditions contained in this agreement and in the contract that is the subject of this agreement.

The terms of the contract, are contained in:

Part C1	Agreements and Contract Data, (which includes this Form of Offer and Acceptance)
Part C2	Pricing Data
Part C3	Scope of Work

and drawings and documents (or parts thereof), which may be incorporated by reference into the above listed Parts.

Deviations from and amendments to the documents listed in the Tender Data and any addenda thereto listed in the Returnable Schedules as well as any changes to the terms of the Offer agreed by the tenderer and the *Employer* during this process of offer and acceptance, are contained in the Schedule of Deviations attached to and forming part of this Form of Offer and Acceptance. No amendments to or deviations from said documents are valid unless contained in this Schedule.

The tenderer shall within two weeks of receiving a completed copy of this agreement, including the Schedule of Deviations (if any), contact the *Employer's* agent (whose details are given in the Contract Data) to arrange the delivery of any securities, bonds, guarantees, proof of insurance and any other documentation to be provided in terms of the *conditions of contract* identified in the Contract Data. Failure to fulfil any of these obligations in accordance with those terms shall constitute a repudiation of this agreement.

Notwithstanding anything contained herein, this agreement comes into effect on the date when the tenderer receives one fully completed original copy of this document, including the Schedule of Deviations (if any). Unless the tenderer (now *Consultant*) within five working days of the date of such receipt notifies the *Employer* in writing of any reason why he cannot accept the contents of this agreement, this agreement shall constitute a binding contract between the Parties.

Delete the first sentence of core clause 50.2 and replace with: Invoices submitted by the <i>Consultant</i> to the <i>Employer</i> include: <ul style="list-style-type: none"> • the details stated in the Scope to show how the amount due has been assessed, and • the details required by the <i>Employer</i> for a valid tax invoice. Delete the first sentence of core clause 51.1 and replace by: Each payment is made by the <i>Employer</i> within four weeks of receiving the <i>Consultant's</i> invoice showing the details which this contract requires or, if a different period is stated in the Contract Data, within the period stated.
Z2	Selection and appointment of the <i>Adjudicator</i> Add the following paragraph to clause W.1.2(1) Within 2 weeks after declaring a dispute and if the <i>Adjudicator</i> was not yet appointed with a previous dispute, the notifying Party notifies the other Party of the names of two persons he has chosen from the Panel of NEC Adjudicators set up by ICE-SA, a joint division of the Institution of Civil Engineers and the South African Institution of Civil Engineering (see www.ice-sa.org.za), whose availability to act as the <i>Adjudicator</i> the notifying Party has confirmed. The other Party selects one of the two persons chosen to be the <i>Adjudicator</i> within four days of receiving the notice, failing which the person chosen by the notifying Party will be the <i>Adjudicator</i> for the Contract. The Parties appoint the selected <i>Adjudicator</i> under the NEC3 Adjudicator's Contract, April 2013.
Z3	Acts or omissions by mandatories In terms of Section 37(2) of the Occupational health and Safety Act of 1993 (Act 85 of 1993), the <i>Consultant</i> hereby agrees that the <i>Employer</i> is relieved of any and all of its liabilities in terms of Section 37(1) of this Act in respect of any acts or omissions of the <i>Consultant</i> and his employees to the extent permitted by this Act, and that this contract comprises the written agreement between the <i>Employer</i> and the <i>Consultant</i> contemplated in section 37(2).
Z4	Expenses If the Parties agree, estimates of <i>expenses</i> may be included in the lump sum prices in the Task Schedule which are assessed as compensation events.

Z5 Alternative basis for assessing compensation events

If the *Employer* and the *Consultant* agree, assessments for changed Prices for compensation events relating to the *services* may be based on a percentage of the construction cost determined in accordance with the provisions of the *Framework for the Determination of Professional Fees for Consulting Services* (see Annexure 3) where:

F_{PO} = tendered professional and technical staff rate expressed in cents / R 100 or part thereof of total cost of employment as stated in the C2.2 Pricing Data / 16

F_{CON} = tendered adjustment factor to reflect factors such as risk, productivity, efficiency, locality, local knowledge, particular methods or systems for delivering services, level of expenses that are not recoverable etc. as stated in C2.3 of the Pricing Data

The fees based on a percentage of the project cost includes all travelling time and travel costs associated with the provision of the service within the Umhlathuze Local Municipal area

The total fee for each stage required in terms of the scope of work in Rands, determined in accordance with the provisions of the *Framework for the determination of professional fees for consulting services*, is entered as a lump sum amount in the Task Order. Such amounts may be further broken down should the *Consultant* so require.

Stages 3 and 4 (*Framework for the determination of professional fees for consulting services*) may be undertaken on a Time Charge basis. Such charges are then deducted from the lump sum amount determined for stages 3 to 9 if the construction cost is determined at the end of stage 4.

Z6 Vendor registration

The *Consultant* registers on the *Employer's* vendor database by completing the relevant Vendor Registration Form and providing all the required information.

One hundred percent of the Prices for Services Provided to Date is retained in assessments of the amount due until the *Consultant* has registered on the *Employer's* database.

Z7 Contract Date

In these *conditions of contract* each reference to the Contract Date is the date when the Task Order came into existence.

Z8 Price adjustment for inflation

Notwithstanding the provisions of X1

(1) The provisions of X1.4 and X1.5 do not apply.

(2) The *Consultant* calculates the *staff rates* at the Contract Date for all rates which are fixed and are not variable with changes in salary paid to individuals, by multiplying the *staff rates* contained in the Pricing Data by $1 + (L - B) / B$, where B is the last value of the *index* published before the *starting date* and L is the last published value of the *index* published before the Contract Date.

Z9 Key persons in Task Orders

- 1) *Key persons* to undertake specific jobs for the *Consultant* in respect of a particular Task may be included in a Task Order.
- 2) The *key person* named in Part 2 of the Contract Data in the framework agreement whose responsibilities include the provision or the service or provision of active and personal direction, control and supervision of the *service* that is provided is the point of contact between the *Consultant* and the *Employer*. Such a person attends at least 80 percent of the regular progress meetings which may be convened during the execution of a Task.
- 3) The *Consultant*, in the event that the *key person* identified in 2) above is replaced, effects the replacement in a manner which minimizes the adverse effect of such replacement on the Employer and Others and provides continuity of the *services*.

Z10 Low performance damages for failing to adhere to the Accepted Programme

If the *Consultant* fails to adhere to the Accepted Programme and as a consequence is the primary reason for a delay in the finalization of an end-of-stage deliverable required in terms of the *Standard scope of professional services associated with the delivery of a package*, the *Consultant* pays low performance damages in the following amounts:

Delay in finalizing the deliverable	Amount
Up to 7 days	5% of the total of the Prices for the stage that is delayed
More than 7 days but less than 14 days	10% of the total of the Prices for the stage that is delayed
More than 14 days but less than 21 days	15% of the total of the Prices for the stage that is delayed
More than 21 days but less than 28 days	20% of the total of the Prices for the stage that is delayed
More than 28 days	25% of the total of the Prices for the stage that is delayed

C2: Pricing Data

C2.1 Pricing assumptions (Option G)

C.2.1.1 General

C.2.1.1.1 The *Consultant* is paid under Option G (Term Contract) i.e., on a combination of Time Charges (sum of the products for each of the *staff rate* multiplied by the time appropriate to that *rate* properly spent on work in the contract) and a proportion of the lump sum price for each item on the Task Schedule in proportion to the work completed on that item.

C.2.1.1.2 *Expenses* as provided for in the contract are paid in addition to the total of the Time Charges and lump sum prices.

C.2.1.1.3 There is no adjustment to the lump sums for items in the Task Schedule if the amount, or quantity, of work within that activity later turns out to be different to that which the *Consultant* estimated at the time that the Task Schedule was accepted by the *Employer*. The only basis for a change to the lump sum prices is as a result of a compensation event (See Clause 60.1).

C.2.1.2 Staff rates

C.2.1.2.1 The *staff rates* are the prices charged for staff, excluding VAT, but including:

- a) all the costs to the *Consultant* including total annual cost of employment, overhead charges incurred as part of normal business operations including the cost of management, as well as payments to administrative, clerical, IT support and secretarial staff used to support professional and technical staff in general and not on a specific project only;
- b) the time and costs expended in travelling to and from a site, meetings or any other activity associated with the provision of the service, except for travel outside of Umhlathuze Local Municipal authorised by the Employer
- c) non-recoverable expenses;
- d) all protective clothing and all standard equipment such as office furniture, copiers, plotters, computers and software used to perform the services; and
- e) profit.

C.2.1.2.2 The total annual cost of employment is the total amount borne by the *Consultant* in respect of the employment of a staff member per year comprising basic salary and fringe benefits not reflected in the basic salary, including:

- a) normal annual bonus,
- b) *Consultant's* contribution to medical aid, unemployment insurance fund, pension or provident fund,
- c) group life insurance premiums borne by the *Consultant*; and
- d) all other benefits or allowances payable in terms of a letter of appointment excluding any share of

profit and payment for overtime.

C.2.1.2.3 The *staff rates* for staff whose hourly or monthly rate is based on the total annual cost of employment shall not exceed the staff rate for Rate 1.

C.2.1.2.4 The *staff rates* exclude VAT.

C.2.1.3 Expenses

C.2.1.3.1 The *expenses* that may be paid to the *Consultant* are as stated in the Contract Data. All other cost to the Consultant associated with Providing the Services is included within the staff rates.

C.2.1.3.2 All air travel shall be in economy class on a scheduled airline.

C.2.1.3.3 Accommodation means a

- a) a bed and breakfast;
- b) a guest house;
- c) self-catering; or
- d) hotel having a star rating of 1, 2 or 3 as defined by the Tourism Grading Council of South Africa (see www.tourismgrading.co.za).

Note: A lodge, country house or 4 star or higher star rated hotel is not accommodation. Any stay in such a facility cannot be claimed as an expense.

C.2.1.3.4 A hired car means a motor vehicle having an engine capacity of not more than 1800cc.

Note: A hired car having an engine capacity greater than 1800cc is not a hired car and cannot be claimed as an expense

C2.2 Staff rates

The staff rates are:

Rate	Description	Basis of staff rate, excluding VAT	Tendered parameter
1	<ul style="list-style-type: none"> Director, member or partner Senior professional staff whose calculated rate per hour equals or exceed the maximum hourly rate 	Rate per hour in Rand	R
2	<ul style="list-style-type: none"> Professional staff, who are appropriately registered with a statutory council with adequate expertise and relevant experience, who carry direct professional responsibility for one or more specific activities related to the <i>services</i>; and Technical staff with adequate expertise and relevant experience performing work with direction and control provided by professional staff. 	Rate per hour in Rand based on cents per hour for every R100 total annual cost of employment cents

EXAMPLE: The hourly rate that is calculated for Rate 2 is as follows:

Assuming that a rate of **15 cents** per hour for every R 100 total annual cost of employment is tendered and the total annual cost of employment is R 400 000 per annum, the calculated hourly rate will be as follows:

$$15 / 100 \times 400\,000 / 100 = R600 \text{ per hour}$$

NOTE The hourly rate for Rate 2 is based:

a) the total annual cost of employment multiplied by a staff multiplier which takes into account factors such as:

- staff utilization rates;
- cost of employment of non-fee earning staff (i.e., administrative staff); and
- company overheads which may include communication costs, office accommodation costs, transport not directly covered by projects, consumables, audit, bank and finance charges, insurance, marketing, office equipment, training and development, non-recoverable expenses, head office expenses etc. ; and
- mark up for profit; and

b) the time available in a year after weekends and public holidays and allowances for leave and sick leave are taken into account.

If a multiplier of 2,64 is applied to a total annual cost of employment of R 400 000 per annum where the available hours in a year are 1760, the hourly rate = $400\,000 \times 2,64 / 1760 = R600$

C2.3 Adjustment factor

The adjustment factor is:

Adjustment factor	Description
F _{CON}	An adjustment factor (F _{CON}) (see <i>Framework for the determination of professional fees for consulting services</i>) (see Annexure 2) used in the calculation of the fee percentage to reflect factors such as risk, productivity, efficiency, locality, local knowledge, particular methods or systems for delivering services, level of expenses that are not recoverable, alignment of services with scope of work etc.

University of Zululand

Tender No UZ26/2021

Framework agreement for architectural services within the University of Zululand's KwaDlangezwa and Richards Bay Campuses

C3: Scope of work

1 Purpose of the service

1.1 Employer's objectives

The Employer's objective in entering into a framework agreement over a three-year term, on an as and when instructed basis, is to secure the services of architectural professional service provider to serve the Employer's needs and requirements in the construction of new infrastructure and the refurbishment, repurposing, rehabilitation or alteration of existing infrastructure on its KwaDlangezwa and Richards Bay Campuses.

1.2 Background

1.2.1 General

The KwaDlangezwa Campus, which was developed during the 1960s, is the University's main campus and is home to the University's four faculties and academic support departments. The urban Richards Bay Campus was completed in 2009 and serves the University's entrepreneurial and vocational agenda in conjunction with local industry partnerships and the maritime sector. South Africa's National Development Plan recognises higher education as "a major driver" of economic development and as critically important for educating and training people with high-level skills so that positive social mobility changes can be realised. In accordance with this, the Plan set out to augment enrolments from 1.1 million in 2014 to 1.6 million by 2030 so as to improve access and success, particularly for those groups previously disadvantaged on the grounds of race, gender and disability.

Infrastructure Efficiency Grant 2018/19 – 2020/21 the development of the Engineering Building at the Richards Bay Campus and a new academic building for Social Works, Law and Music Department and the refurbishment and renewal of existing student accommodation at the KwaDlangezwa for new lecture theatres on both campuses totals 378 m. Grant funding has also been made available in previous funding cycles for projects including the construction of new residences, a new Agricultural Building, a new Language, HUM and Social Science Laboratory, a New Student Administration Block, a new Student Centre, sports facilities, campus landscaping, the creation of social learning spaces and numerous refurbishment projects.

The University is putting in place internal capacity to specify, procure and deliver these projects. External professional capacity is required to plan, design, manage and commission these projects through a design by client, design and construct, develop and construct or management contractor contracting strategy, based on the NEC3 Engineering and Construction Contract Options A, B, C and F.

1.2.2 Framework agreements

A framework agreement is an agreement between the Employer and one or more contractors, the purpose of which is to establish the terms governing orders to be awarded during a given period, in particular with regard to price and, where appropriate, the quantity envisaged. An order, on the other hand, is an instruction to provide work under a framework agreement. Framework agreements enable the Employer to procure on an as-instructed basis (call offs) over a set term without committing to any quantum of work. Such agreements do not bind the Employer to make use of such agreements to meet its needs. The Employer may approach the market for work falling within the scope of work of the framework agreement, whenever it considers that better value in terms of time, cost and the quality may be obtained.

The issuing of orders to framework contractors covering the same scope of work may be made with and without requiring competition amongst framework contractors. Competition amongst framework contractors for orders takes place where there is no justifiable reason for issuing an order to a particular framework contractor, the terms in the order are insufficiently precise or complete to cover the particular requirement, or a better quality of service can be obtained through a competitive process.

1.3 Use of material

The Employer intends using the information provided by the Consultant for purposes including:

- inputs into end of stage deliverables 3 to 9;
- inputs into the work of others and the administration of contracts;
- the setting of design standards;
- satisfying legislative requirements;
- inputs into the tender evaluation process;
- as the basis for contracting specialist studies, design advice or services in support of the services which the Consultant provides; and
- professional advice regarding decisions to be made in connection with the subject matter of the services

Task specific use of information provided by the Consultant is set out in the Task Order.

2 Description of the services

The services over the term of the contract may include:

- a) professional services relating to the planning, designing and detailing for and reviewing of the construction, extension or refurbishment of buildings, spaces, structures and associated site works for the use of people by the creative organization of materials and components with consideration to mass, space, form, volume, texture, structure, light, shadow, materials and the project brief within the Employer's precincts;
- b) the procuring as necessary of the services of others to provide specialists studies, design advice or services in support of the services which the Consultant provides including acoustic and sustainable specialists;
- c) the setting of design standards and specifications for and co-ordinating and integrating the design of designers of all disciplines and the co-ordination of advice on design related issues by designers and providing design advice;
- d) assistance in the evaluation of tender submissions including the evaluation of quality; and
- e) dealing with local authorities to ensure that all necessary approvals are obtained to enable buildings to be constructed and occupied.

The services required under this framework agreement may include full or partial architectural services for new building and refurbishment projects in accordance with the provisions of the University's *Standard Scope of Professional Services associated with the Delivery of a Package* within the University precincts.

3 Existing information

Existing information, if any, pertinent to a Task Order shall be identified in the Task Order.

4 Specifications

4.1 General

4.1.1 The Consultant shall in the provision of the services observe all relevant statutes, by-laws and associated regulations, standards of professional conduct and industry norms established in relevant South African national standards published in terms of the Standards Act of 2008 or standards recommended by professional associations.

4.1.2 The Consultant shall take into account the information provided by the Employer when providing the required services.

4.1.3 The Consultant shall provide the services in accordance with the relevant provisions of the *Standard Scope of Professional Services associated with the delivery of a Package* (see Annexure 2) as a lead designer, designer and supervising agent.

4.1.4 Costs for buildings shall be benchmarked against the DHET Building Cost Unit for Space and Cost Norms for Buildings and Other Land Improvements at Higher Education Institutions

4.2 Production information requirements

4.2.1 Construction requirements shall be described in terms of South African national standards published by the South African Bureau of Standards where such standards exist and their scope covers such requirements.

4.2.2 Construction requirements shall not be described in terms of a part of SANS 1200, *standardised specification for civil engineering construction*, if such requirements fall within the scope of a part of SANS 2001, *construction works*.

4.2.3 Construction requirements for buildings and structures which are required to comply with the requirements of National Building Regulations shall be described in terms of a part of SANS 2001, *construction works*, where such standards exist.

4.2.4 A bill of quantities shall not be used as a substitute for production information.

Note: The *Standard Scope of Professional Services associated with the delivery of a Package* defines production information as information which provides the detailing, performance definition, specification, sizing and positioning of all systems and components enabling either construction (where the constructor is able to build directly from the information prepared) or the production of manufacturing and installation information for construction.

4.3 Standard systems of measurements

4.3.1 Bills of quantities where required, shall be prepared in accordance with the provisions of the following standards:

- a) Standard System of Measuring Builders Work – Edition 7 (2015) published by the Association of South African Quantity Surveyors
- b) Civil Engineering Standard Method of Measurement – Southern African Edition – CESMM3 published by ICE-SA, a joint division of the South African Institution of Civil Engineers and the Institution of Civil Engineers.

4.3.2 Elemental costs estimates shall be prepared in accordance with the provisions of the Association of

South African Quantity Surveyor's Guide to Elemental Cost Estimating and Analysis for Building Works 2013.

5 Constraints on how the services are to be provided

5.1 Reporting and attendance at meetings

5.1.1 The Consultant shall prepare in a format acceptable to the Employer progress reports for tabling at fortnightly project meetings and to accompany invoices for payment.

5.1.2 The Consultant shall attend regular design and / or site co-ordination meetings with the Employer's project management team as well as adhoc meetings convened to deal with specific issues that may arise.

5.1.3 The Consultant shall promptly provide information required for the reports which the Employer and / or the project management team are required to prepare e.g., quarterly Presidential Infrastructure Co-ordinating Committee reports on key performance indicators.

5.2 Skills development requirements

The Consultant shall achieve in the execution of a Task Order whose value exceeds R2,0 million and which has a duration in excess of 12 months the contract skills development goal established in the *Specification for developing skills that result in nationally accredited outcomes through infrastructure contracts* (Annexure 4).

5.3 Procurement of specialist studies, inputs, advice and tests

5.3.1 The Consultant shall:

- a) obtain the Employer's prior permission to procuring specialist studies, inputs, advice and tests; and
- b) either obtain three quotes for studies, inputs and tests and award a contract to the service provider offering the best value for money or engage a sole provider at open market rates.

5.3.2 The Consultant may be required by the Employer to appoint suitably qualified professionals to provide design services or specialist inputs and advice into the design process in fields such as heritage assessment services, acoustic engineering services, fire engineering services and wet services for buildings.

5.5 Facilities and equipment to be provided by the Consultant

The Consultant shall provide all equipment and facilities required to provide the services relating to required service.

5.6 Communications

All communications with the Employer which are made in terms of the contract should be made using the standard templates provided by the Employer. Reference to the Framework Agreement description shall at all times precede any project related communication.

5.7 Document management system

5.7.1 The Consultant shall provide documents in accordance with the requirements established by the project leader.

5.7.2 The status of any drawings shall be clearly indicated on the drawings in accordance with the provisions of the Standard Scope of Professional Services associated with the delivery of a Package,

5.8 Invoices

Invoices submitted shall be a Tax invoice if the Consultant is registered for VAT. The invoice shall comply with requirements, if any, established by the Employer.

5.9 Vendor registration

The Consultant shall complete vendor registration forms before the first assessment date. Such forms and the submission requirements shall be obtained from the Employer.

6 Information and other things provided by the Employer

No facilities or equipment are provided by the Employer.
